On the Bure. The River Bure is among the favourite yachting stretches on the Broads, it being 11 miles long from Aylsham Bridge to Yarmouth. Its waters also afford excellent fishing. Chief among the Broads opening out from its course are Wroxham, Salhouse, Walsham, and Hoveton Great and Little Broads. The scenery on its banks is of a flat Dutch character, though occasionally relieved by some very charming spots.

We spent a day on these Broads which are about twenty miles from Yarmouth where we are now staying. It was glorious and we did enjoy it.
